

Key Stage 2 results

SATs and teacher assessment • 2024, 2025 and 2026

These tables show the percentage of Year 6 pupils achieving the expected standard or a higher standard at the end of primary school. Reading and maths are assessed through SATs; writing is assessed by teachers.

Achieving the expected standard or above

Subject / measure	2024	2025	2026
Reading	86.7%	79.3%	76.7%
Writing	86.7%	75.9%	73.3%
Maths	86.7%	79.3%	80%
Reading, writing and maths combined	80%	69%	66.7%

Achieving a higher standard / greater depth

Subject / measure	2024	2025	2026
Reading	30%	31%	23.3%
Writing	13.3%	3.4%	0%
Maths	26.7%	31%	16.7%
Reading, writing and maths combined	6.7%	3.4%	0%

Understanding the results

Expected standard: the nationally expected level of attainment at the end of Year 6. The first table includes pupils who achieved above this level too.

Higher standard / greater depth: attainment above the expected standard. This is called a higher standard in reading and maths, and greater depth in writing.

Combined: pupils must achieve the relevant standard in all three subjects: reading, writing and maths. It is not an average of the subject percentages.

Each year represents a different group of pupils. Percentages are shown as supplied in the school's results summary. These are attainment results; progress scores are a separate measure.
